The presence of the "Lone Wolf" within our society is growing at an alarming rate. It is far more difficult to detect and deter an individual who is acting alone as opposed to those who operate within an established group. This training will provide you with profiles and practices to help identify these dangerous individuals.

You will also learn to understand the radical anti-government movement known as "Sovereign Citizens" who have long been a major threat to Law Enforcement across the Country. Learn who they are, what they believe and who supports them.

Highly recommended training for patrol officers and supervisors, detectives and corporate security.

**INSTRUCTORS: Laurie Wood, Intelligence Project Deputy Director, Head of Investigations and Training, Southern Poverty Law Center. Also presenting will be Sovereign Citizen and anti-government experts from the Los Angeles Police Department.**
